

To Whom It May Concern,

I am writing on behalf of Ben Meyer who worked for me at "The Late Late Show" on CBS during our 2004-2005 season.

Ben is an excellent AVID editor and associate producer who consistently turned in excellent work on our pre-taped comedy pieces. Our show is very dependant on these bits and we often gave Ben last-minute assignments that he completed under tight deadlines.

He also has a natural instinct for comedy and we felt confident that he could take our rough footage and craft them into cohesive bits without our supervision.

I recommend him strongly for any positions that involve editing and crafting field pieces and pre-taped comedy bits.
